Co-prefaced by
an economist, an ecologist,
an agrobiologist and an artist.

WAKE UP!

A citizens’ globalization around shared principles will enable fair and sustainable changes to ensure a future for humanity.

CHRONICLE OF THE GLOBAL SUICIDE
perpetrated by the G20’ heads of states linked to the S&P500 big corporations and lobbies who boost an unequal productivist growth requiring at least three planets.

THERE ARE ALTERNATIVES.
LET’S WAKE UP AND STOP THE SUICIDE!
